

SAFETY PRECAUTIONS

The safety and health of this community is always our priority. Whether you are strolling through or picking up, we [**always**] want to put you in a [**good**] spot.

The following measures are being implemented to ensure your safety while on property:

- Our onsite cleaning crew is focused on extra sanitation in high traffic areas (i.e. handrails, door handles, etc.).
- Centre personnel will wear appropriate PPE while out in the field.
- Curbside pickup is available from most businesses. Contact each business for individual details and policy.
- **Masks are required in common areas where it is not possible to social distance; a mask is required to enter any store (or mall).**
- Wash your hands often and use hand sanitizer.
- Practice social distancing – keep 6 feet apart.
- No congregating in groups of more than 10.
- Do not block the sidewalk, walkways, and doorways.
- Please stay home if you are sick or not feeling well.
- Consider taking your temperature before leaving home.
- Rules of Etiquette are still enforced during this time.

We will continue to revise these precautions.

We [**always**] put you in a [**good**] spot.
